Ford SelectShift. The first automatic transmission to be offered in the Ford Mustang was the C4, which replaced Ford ' s previous Ford-O-Matic transmission. At the time, the C4 was referred to as the dual-range Cruise-O-Matic, but many enthusiasts refer to it as the green dot transmission. This nickname stems from the two dots on the gear selector.

1964-1968 Ford, Mercury C4 Automatic Transmission Pan ...

Beginning in 1967, Ford went to a more conventional P-R-ND- 2-1 shift pattern for the C4. It was known as Select-Shift, which meant a redesigned valve body that was used through 1969. This is the valve body you want for your 1964– 1966 C4 street/strip transmission because it drops right in without modifications.

How to Assemble Ford C4 Transmissions: Cruise-O-Matic ...

The transmission is not coming off the car, as you remember, I'm resetting the band adjustment to the specifications you gave me previously since I have to redo the locking nuts because of leaks. Also, this was a low mileage car when I received it, the transmission works very well, but I'm 95% sure it has never been updated or rebuilt, it's all ...
