Back in Black is the seventh studio album by Australian rock band AC/DC. It was released on 25 July 1980 by Albert Productions and Atlantic Records. It is the band's first album to feature lead singer Brian Johnson, following the death of previous lead singer Bon Scott.. After the commercial breakthrough of their 1979 album Highway to Hell, AC/DC was planning to record a follow-up, but in ...

*Back in Black - Wikipedia*

"You Shook Me All Night Long" is a song by Australian hard rock band AC/DC, from the album Back in Black. The song also reappeared on their later album Who Made Who. It is AC/DC's first single with Brian Johnson as the lead singer, replacing Bon Scott who died of alcohol poisoning in February 1980. It reached number 35 on the USA's Hot 100 pop singles chart in 1980. The single was re-released internationally in 1986, following the release of the album Who Made Who. The re-released single in 1986

Formed in 1973 by brothers Angus and Malcolm Young, AC/DC has become one of the most popular rock 'n' roll bands in history. This massive new title follows the band from its roots in Sydney, Australia, to its most recent releases and sold-out world tours. No stone is left unturned, from the AC/DC's formation and early club gigs to its astounding worldwide success. A special cover incorporating Angus on a spinning disc gives way to more than 400 illustrations include handbills, posters, backstage passes, and vinyl from around the globe, as well as rare candid and performance photography. Sidebars from top rock scribes examine all studio releases and delve into the guitar gear of the Young brothers. The result is an awesome tribute to the band renowned for a live-wire stage show and a sonic attack that have attracted fans from all rock camps Contributors include: Phil Sutcliffe Joe Bonomo Danie Bukszpan Jen Jewel Brown Anthony Bozza Garth Cartwright Ian Christie David Dunlap Andrew Earles Dave Hunter James McNair Martin Popoff Sylvie Simmons Bill Voccia

AC/DC Album by Album is an in-depth discussion of each of the band's 16 studio albums by prolific rock journalist Martin Popoff and illustrated with phenomenal photography. Formed in 1973, AC/DC became one of the most popular and bestselling bands in rock history with their no-frills approach

to loud, heavy, and sweat-drenched blues-based rock music. This new book from prolific rock journalist Martin Popoff pays tribute to the band's discography by moderating in-depth and entertaining conversations about all 16 of AC/DC's studio albums, every page illustrated with thoughtfully curated performance and offstage photography and rare memorabilia. Popoff gathers 17 rock journalists and authors who offer insights, opinions, and anecdotes about every release. Together, the conversations comprise a unique history of the band, covering everything from early lineups; the role played by the Youngs' older brother, George; the songwriting and legendary antics of original vocalist Bon Scott; the mega tours undertaken in support of the LPs; the debut of singer Brian Johnson on the band's mega breakthrough, *Back in Black*; the band's fallow 1980s and 1990s resurgence; and later difficulties, such as Malcolm's onset of dementia and the legal problems of drummer Phil Rudd.

First Published in 2005. Routledge is an imprint of Taylor & Francis, an informa company.

The death of Bon Scott is the Da Vinci Code of rock. In death, AC/DC's trailblazing frontman has become a rock icon, and the legend of the man known around the world simply as "Bon" grows with each passing year. But how much of it is myth? At the heart of *Bon: The Last Highway* is a special and unlikely friendship between an Australian rock star and an alcoholic Texan troublemaker. Jesse Fink, author of the critically acclaimed international bestseller *The Youngs: The Brothers Who Built AC/DC*, reveals its importance for the first time. Leaving no stone unturned in a three-year journey that begins in Austin and ends in London, Fink takes the reader back to a legendary era for music that saw the relentless AC/DC machine achieve its commercial breakthrough but

also threaten to come apart. With unprecedented access to BonŌs lovers, newly unearthed documents, and a trove of never-before-seen photos, Fink divulges startling new information about BonŌs last hours to solve the mystery of how he died. Music fans around the world have been waiting for the original, forensic, unflinching, and masterful biography Bon Scott so richly deserves Ñ and now, finally, itŌs here.

My name is Tina. I'm a freshman at USC, a good student and friend...And I'm a victim.Hot guys make my brain turn to mush. So, the fact that I was arrested then survived a massive earthquake only to be shackled to the fox next to me can all be overlooked, right?Okay, so I was arrested before I met Luke. A tremor that caused a blackout at the LAPD precinct where we were being held. Although technically, I wasn't shackled to him, I was handcuffed, but still. Any and all lapses in my usual--totally sane, I might add--judgments, are his fault. Totally.I wouldn't typically do the things I did. I'm no outlaw. I'm a college student.\*\*\*\*\*1980: You Shook Me All Night Long is the first of ten contemporary romance, new adult, stand-alone stories set in the 1980s. Written by award-winning and bestselling authors, the novellas will be released each month January - October in 2016.

The Youngs: The Brothers Who Built AC/DC is unlike any AC/DC book you've read before. Less a biography, more a critical appreciation, it tells the story of the trio through 11 classic rock songs and reveals some of the personal and creative secrets that went into their making. Important figures from AC/DC's long way to the top open up for the very first time, while unsung heroes behind the band's success are given the credit they are due. Accepted accounts of events are challenged while sensational new details emerge to cast a whole new light on the band's history—especially their early

# Download Ebook 1980 You Shook Me All Night Long Love In The 80s A New Mix

years with Atlantic Records in the United States. Former AC/DC members and musicians from bands such as Guns N' Roses, Dropkick Murphys, Airbourne and Rose Tattoo also give their take on the Youngs' brand of magic. Their music has never pulled its punches. Neither does The Youngs. After 40 years, AC/DC might just have gotten the serious book it deserves.

Music has long played a role in American presidential campaigns as a mode of both expressing candidates' messages and criticizing the opposition. The relevance of music in the 2016 campaign for the White House took various forms in a range of American media: a significant amount of popular music was used by campaigns, many artist endorsements were sought by candidates, ever changing songs were employed at rallies, instances of musicians threatening legal action against candidates burgeoned, and artists and others increasingly used music as a form of political protest before and after Election Day. The 2016 campaign was a game changer, similar to the development of music in the 1840 campaign, when "Tippecanoe and Tyler Too" helped sing William Harrison into the White House. The ten chapters in this collection place music use in 2016 in historical perspective before examining musical messaging, strategy, and parody. The book ultimately explores causality: how do music and musicians affect presidential elections, and how do politicians and campaigns affect music and musicians? The authors explain this interaction from various perspectives, with methodological approaches from several fields, including political science, legal studies, musicology, cultural studies, rhetorical studies, and communications and journalism. These chapters will help the reader understand music in the 2016 election to realize how music will be relevant in 2020 and beyond.

(Book). For the first time ever, Rock Tracks lists every artist and song to appear on Billboard 's "Modern Rock Tracks" (also known as "Alternative") and "Mainstream Rock Tracks" charts all in one combined, comprehensive A-to-Z artist listing! This all-inclusive format gathers all chart data from both charts in one master listing so it's easy for you to instantly compare your favorite artist's achievements on either or both of Billboard 's two premier Rock charts.

Brian Johnson's memoir from growing up in a small town to starting his own band to ultimately replacing Bon Scott, the lead singer of one of the world biggest rock acts, AC/DC. They would record their first album together, the iconic Back in Black, which would become the biggest selling rock album of all time. Brian Johnson was born to a steelworker and WWII veteran father and an Italian mother, growing up in New Castle Upon Tyne, England, a working-class town. He was musically inclined and sang with the church choir. By the early '70s he performed with the glam rock band Geordie, and they had a couple hits, but it was tough going. So tough that by 1976, they disbanded and Brian turned to a blue-collar life. Then 1980 changed everything. Bon Scott, the lead singer and lyricist of the Australian rock band AC/DC died at 33. The band auditioned singers, among them Johnson, whom Scott himself had seen perform and raved about. Within days, Johnson was in a studio with the band, working with founding members Angus and Malcolm Young, Cliff Williams, and Phil Rudd, along with producer Mutt Lange. When the album, Back in Black, was released in July--a mere three months after Johnson had joined the band--it exploded, going on to sell 50 million copies worldwide, and triggering a years-long worldwide tour. It has been declared "the biggest selling hard rock album ever made" and "the best-selling heavy-metal

# Download Ebook 1980 You Shook Me All Night Long Love In The 80s A New Mix

album in history." The band toured the world for a full year to support the album, changing the face of rock music--and Brian Johnson's life--forever.

Often regarded as the greatest frontman in the history of rock music, Bon Scott tragically died on February 19, 1980 but his memory lives through the music he created with AC/DC. From 1975 s Australian album High Voltage to 1980 s Highway To Hell, Bon Scott and AC/DC were a global force to be reckoned with. AC/DC formed in 1973 but it wasn't until the latter half of 1974 that Scottish born singer Robert Belford Scott joined the fold. Scott would help take AC/DC to legendary heights of success. Although the band s success did not arrive quickly, they released a stream of stunning albums and were undoubtedly the most electrifying live rock band of the 1970s. Despite the latterday success of the band, the Bon Scott years of 1974 to 1980 are often regarded by many as the band s most fertile creative period. Those years spawned 1976 s Dirty Deeds Done Dirt Cheap, 1977 s Let There Be Rock and 1978 s Powerage, not forgetting the now legendary live album, If You Want Blood You've Got It from 1978. Exploring the two Australian albums, the five international studio albums as well as other releases featuring Bon Scott, this book AC/DC - The Early Years With Bon Scott is a fitting recognition of Bon Scott s legacy and a reminder of just how influential AC/DC s 1970s period remains. Charts the most creative period of the band s history from 1973 to Bon Scott s death in 1980. Includes a foreword from Uriah Heep's Mick Box. Bonus chapter on Back In Black: the first album with Brian Johnson. Extensively covers AC/DC s five international albums and two Australia-only releases with Bon Scott. Perfect as a fans book as well as a book for AC/DC beginners. Bon Scott was voted the greatest frontman of all time by Classic Rock magazine. The most successful Aussie

# Download Ebook 1980 You Shook Me All Night Long Love In The 80s A New Mix

band of all time. A movie about Bon Scott s life is currently in production.
