NHS continuing healthcare is an ongoing package of health and social care that is arranged and funded solely by the NHS where an individual is found to have a primary health need. Such care is...

~~National framework for NHS continuing healthcare and NHS ...~~

Patients wish to be seen as an individual within the healthcare system. This requires healthcare professionals to recognise the individual, and for services to be tailored to respond to the needs, preferences and values of the patient. Advice on treatments and care, including risks and benefits, should be individualised as much as possible.
