The Bible would certainly not refute our needs for physical provision, a sense of safety, a sense of love and belonging, or a sense of worth and respect from others. However, the " growth need, " as interpreted in secular psychology, is based on a denial of man ' s depravity and the false notion that mankind is basically good.

"The Bible is what God has made. Sermons are what we make with what God has made." This is the foundation for developing expository messages, according to Ramesh Richard. His method, explained in Preparing Expository Sermons, has been field-tested in training seminars for thousands of preachers around the world. Kent Edwards takes a practical approach as he walkreaders through the steps needed for creating sermonsthat are faithful to the text and engaging to the listener.Examples and worksheets enable readers to apply thisunique approach to one of their own sermons. This companion volume to the bestselling Biblical Preaching provides models of biblical preaching from Old Testament texts. This allows students of preaching to see the theory of Robinson's classic work fleshed out in actual sermons from exemplary preachers. Following each sermon, Robinson offers a brief commentary and interviews the preacher, providing students with practical insight into ministry life and sermon preparation.

J. Kent Edwards recalls a story that late pastor J. Vernon McGee told about seeing children in South Africa playing a game of marbles in the dust with real diamonds. The precious stones were being handled with no regard for their true worth. Edwards fears the same thing happens today when preachers offer Scriptural truth to listeners without being completely overwhelmed by its greatness themselves in the process. Deep Preaching is his call to "rethink" preaching. Edwards helps preachers learn to preach the word in ways that will powerfully change the lives of hearers. He contends that sermons "need not settle comfortably on the lives of the listeners like dust on a coffee table." He encourages preachers to join him in casting off the lines that moor their ministries to the status-quo and make every effort to steer their preaching out of the "comfortable shallows." He urges them to preach deep sermons rather than superficial ones, moving "beyond the yawn-inspiring to the awe-inspiring, from the trite to the transforming."

Preachers communicate God ' s word by fully considering their context and their congregation. Preaching by the Book is a practical handbook offering fundamental guidance for preachers beginning to explore their gifts, and fresh insights for seasoned veterans desiring to refine their craft. R. Scott Pace challenges preachers to develop their style and their substance by considering their unique personality and gifts, the work of the Spirit, and the particular audience on a given occasion.
