Despite the many advances women have made since the internal combustion engine was invented, there is still one widely held belief that won't seem to go away: that when it comes to cars, women should just leave it to the men. In Essential Car Care for Women, ESPN NASCAR pit reporter Jamie Little and Discovery Channel "Turbo Expert" Danielle McCormick team up to dispel this myth once and for all—and to offer the indispensable, hard-won advice women need to buy, sell, and care for their cars with confidence. With this handy guide, women will learn how to save themselves money by performing basic—but essential—maintenance tasks on their own. Little and McCormick explain what an alternator, regulator, distributor, and timing belt are; how to change a tire, recharge a flat battery, check the oil, and assess tire pressure; what to do when a car breaks down or when an accident occurs; how to buy a car without being taken advantage of; and more. Straightforward and easy to follow—and including simple step-by-step diagrams and pictures to help along the way—Essential Car Care for Women is the ultimate handbook to everything a woman should know about her set of wheels.

The New York Times bestseller from the author of Dusk, Night, Dawn, Hallelujah Anyway, Bird by Bird, and Almost Everything “Lamott’s ...most insightful book yet, Stitches offers plenty of her characteristic witty wisdom...this slim, readable volume [is] a lens on life, widening and narrowing, encouraging each reader to reflect on what it is, after all, that really matters.”—People What do we do when life lurches out of balance? How can we reconnect to one other and to what’s sustaining, when evil and catastrophe seem inescapable? These questions lie at the heart of Stitches. Lamott’s profound follow-up to her New York Times–bestselling Help, Thanks, Wow. In this book Lamott explores how we find meaning and peace in these loud and frantic times; where we start again after personal and public devastation; how we recapture wholeness after loss; and how we locate our true identities in this frazzled age. We begin, Lamott says, by collecting the ripped shreds of our emotional and spiritual fabric and sewing them back together, one stitch at a time. It’s in these stitches that the quilt of life begins, and embedded in them are strength, warmth, humor, and humanity.
