# Read Book English File Third Edition

"Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get

# Read Book English File

material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills.

# Read Book English File

One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: The Phonology of English as an International Language). American English File integrates pronunciation into every lesson - the

"little and often"  
approach. But that's not  
all. The unique English  
File Sounds Chart puts a  
picture to each sound in  
the phonetic alphabet, so  
learners find it easier to  
remember the sounds  
and, ultimately, improve  
their pronunciation.

English File third edition
