New York Times Bestseller! What happens when we give away love like we're made of it? In his entertaining and inspiring follow-up to *Love Does*, Bob Goff takes readers on a journey into the secret of living without fear, constraint, or worry. Driven by Bob's trademark storytelling, *Everybody, Always* reveals the lessons Bob learned--often the hard way--about what it means to love without inhibition, insecurity, or restriction. From finding the right friends to discovering the upside of failure, *Everybody, Always* points the way to embodying love by doing the unexpected, the intimidating, the seemingly impossible. Whether losing his shoes while skydiving solo or befriending a Ugandan witch doctor, Bob steps into life with a no-limits embrace of others that is as infectious as it is extraordinarily ordinary. *Everybody, Always* reveals how we can do the same.

At some point, we resign ourselves to living by the scripts and rhythms established by other people. Perhaps it's a parent. Maybe it's a pastor or a boss or a teacher. life rafts of what they were expected to do. If we look at the mirror, we might see ourselves on that life raft as well. In this five-session video study (DVD/digital downloads sold separately), bestselling author Bob Goff dares to ask the questions: What would you do if opinion, reason, or probability were no objects? What do you deeply desire to do even if it scares you to the marrow of your bones? What were you meant to do even if no other person thinks you should? He shares stories from the Bible that show how God called certain individuals to follow him—regardless of their lack of "qualifications"—and how those people changed the world when they dared to follow God's dreams for their lives. In the same way, God is calling us to step into the version of our lives that he intended for us before others told us it was impossible and once again dream big. If anyone knows how to live life to the fullest, it is Bob Goff. He has already dazzled readers and audiences with his crazy, audacious, live-out-loud approach and stories told in *Love Does* and *Everybody, Always*. Yet as unique as Bob might seem, he had to make his own choice to dream big. In this study, he will take participants on this journey he has already traveled and help them to rediscover the dreams God has for them and turn them into reality. *Dream Big* will help group members understand that God has a plan for their lives and provide a step-by-step road map to breaking through the barriers that are holding them back. Designed for use with the *Dream Big* Video Study (sold separately).

This is a book about discovering what we really need. There are a lot of second-best options, but we weren't made to live a second-best life. Finding what we actually need is different than what we are often offered. There are many books full of opinions, steps and programs. This isn't one of them. This is about craving the things that matter. Things that don't just

work, but last. In a life that may seem to be all fun and games with an endless supply of balloons, author Maria Goff shows how this life is also lived with intentionality, passionate purpose, and a little planning—all of which make a life rich in legacy. But she had to figure out the help she needed first in order to live the beautiful life God wanted for her and wants for us. *Love Lives Here* is a collection of stories that include the ways Maria and her husband, Bob, navigated family their way, without clear instructions or a road map. It's about what they learned to make their lives meaningful and whimsical and how they created a space for their family to grow together while they reached outward. "What a gift to read *Love Lives Here* and find within it a friend who is as authentic and inviting as Maria Goff. Through her earnest telling of the stories of her life, she provides greater meaning to all our lives. We were thrilled to read this book." Donald Miller (bestselling author of *Blue Like Jazz* and *Scary Close*) with Betsy Miller "Grace is a contagious force we all crave and Maria contains so much grace it floods you from just a short time with her. May these pages overwhelm you with God's love, and hope that Maria knows so well." Jennie Allen, Founder of IF: Gathering and Author of *Nothing to Prove*

Who Is Jesus? The question has been asked and debated for generations. Some call him Lord. Some say he was a good man, a prophet, or a teacher. Still others call him a lunatic or liar. In this five-week video Bible study (DVD/downloads sold separately), Pastor Louie Giglio invites us to meet God in both our intellect and our hearts by uncovering what history and Scripture have to say about Jesus.
