Icon is one of my favorite novels by Frederick Forsyth because in this work he really makes easy to connect with the characters. Forsyth put many complicated characters in this book, and opened up the world post-Soviet Moscow. An excellent read that projects the settings so wonderfully described into the reader's mind.

~~Icon by Frederick Forsyth - Goodreads~~

□Frederick Forsyth's latest epic... has reverted to the masterly storytelling that has won him so many fans. But instead of going into the past, he has set Icon in the future, and allowed his imagination to rise above the constraints of the facts that he uses to frame every book.
