The book of Isaiah is perhaps the most compelling of all Old Testament prophecy. No other prophet rivals Isaiah's brilliance of style, powerful imagery and clear vision of the messianic hope. Unlike many commentators who divide Isaiah between chapters 1 - 39 and 40 - 66, J. Presenting a wealth of comment and perspective on the book of Isaiah, J. Alec Motyer pays particular attention to three recurring themes: the messianic hope, the motif of the city, and the theology of the Holy One of Israel. This rich, accessible commentary is a wise, winsome and welcome guide to Isaiah for Christians today.

The book of Isaiah is perhaps the most compelling of all Old Testament prophecy. No other prophet rivals Isaiah's brilliance of style, powerful imagery and clear vision of the messianic hope. Isaiah's prophetic ministry begins with his temple vision and calling: "I heard the voice of the Lord saying, 'Whom shall I send?'" Through a series of oracles Isaiah calls Israel and the nations to turn to the Lord, for judgment is coming. He announces that redemption is found in the Davidic Servant alone. Finally, in the "day of vengeance and the year of redemption" the Anointed Conqueror will punish rebellious peoples, comfort the contrite and reestablish the glory of Zion. J. Alec Motyer, author of the unparalleled one-volume commentary *The Prophecy of Isaiah*, now provides the long-awaited final volume in the Tyndale Old Testament Commentary Series. Unlike many Isaiah commentators who divide the book between chapters 1-39 and 40-66, Motyer instead identifies three messianic portraits: the King (Isaiah 1-37), the Servant (Isaiah 38-55), and the Anointed Conqueror (Isaiah 56-66). This volume provides Motyer's lucid exposition on these three portraits, examining Isaiah with insightful and probing passage-by-passage commentary. All who study the text of Isaiah will find here expert scholarship and solid footing for unraveling difficult issues of exegesis and interpretation.

Ever since Jesus read from the scroll of Isaiah in the synagogue of Nazareth, Christians have gravitated to this great prophecy as the interpretive center of the Old Testament. Barry Webb calls Isaiah the "Romans" of the Old Testament, where all the threads come together and the big picture of God's purposes for his people and for his world are most clearly set forth.

Isaiah is widely considered the deepest, richest, and most theologically significant book in the Old Testament. It is, without question, a profound statement by God about his own sovereignty and majesty spoken through his chosen spokesman, the prophet Isaiah. In this expository commentary on the book of Isaiah, Raymond C. Ortlund, Jr., argues that Isaiah imparts a single vision of God throughout all sixty-six chapters. It is a unified, woven whole presenting God's revelation of himself to mankind, breaking through our pretense and clashing "with our intuitive sense of things." Ortlund makes a point of man's uninterest in God and his unflinching inclination to disbelief, and thus the need for God to "interrupt our familiar ways of thinking." The emphasis of this addition to the *Preaching the Word* series is this: God saves sinners. He saves them willfully and powerfully and needs no help from us, presenting himself in all his unmistakable glory. The message of Isaiah, shown thoroughly and thoughtfully in this commentary, will reignite a passion for the glory of God in the hearts of believers and will present that glory clearly and potently to those who have yet to be brought to saving faith. Part of the *Preaching the Word* series. Part of the *Preaching the Word* series.
