(PDF) Language and Ideology □ Language in Ideology | Ruth

Language ideology is used within anthropology, sociolinguistics, and cross-cultural studies, to characterize any set of beliefs about languages as they are used in their social worlds. When recognized and explored, language ideologies expose how the speakers' linguistic beliefs are linked to the broader social and cultural systems to which they belong, illustrating how the systems beget such beliefs. By doing so, language ideologies link implicit and explicit assumptions about a language or lang

Language ideology—Wikipedia

The main objectives of this study fall into two general areas: first, to provide a theoretical background and methodology for the analysis of the relationship among language, ideology, and power; and second, to apply the methodology to a specific set of texts, namely, English textbooks that are used in North and South Korea, identify the major ideology in the English textbooks of North and South Korea, and thus establish a relationship between the use of language and the manifestation of ...
