The 18th Edition builds upon the tradition of  
leadership by sticking to 3 main goals: help  
the beginning student master the principles  
essential for understanding the economizing  
problem, specific economic issues, and the  
policy alternatives; help the student  
understand and apply the economic perspective  
and reason accurately and objectively about  
economic matters; and promote a lasting  
student interest in economics and the  
economy.

## Textbook Answers | GradeSaver

Economics is associated with the optimal choices in the conditions of scarcity. This is true when the resources are limited in comparison to their availability. While making choices the concept of opportunity cost is essential, since it helps in deciding the value of the good produced by using the given resources.
