This is the 2nd Mary Stanley book I have read. Absolutely brilliantly written. The characters are so well-drawn. Stanley kept me interested the whole way through trying to work out what had happened to 'Baby' Dunville. can't wait to read another from this author.

Millicent McHarg, an eccentric and forthright novelist, is adored by her three granddaughters. When the eldest, Prunella, nicknamed Plumpet, is found hurt and bewildered in her own bed on Christmas morning following a party the night before, her family must at once deal with the emotional pain, and try to solve the mystery. With Plumpet's sisters' help, Millicent prepares to take a grandmother's revenge...

A moving tale of survival and self-discovery The face Esme Waters presents to the world is not the face she sees in the mirror. Even her three daughters don't know the truth behind her careful smile. But a chance meeting with a fascinating psychiatrist opens the first crack in Esme's mind. While her own children are falling in love, learning about loyalty and rebelling against the rules, Esme discovers that sometimes the walls you build for protection need to come tumbling down...

"From award-winning actor and food obsessive Stanley Tucci comes an intimate and charming memoir of life in and out of the kitchen"--

Issues for Nov. 1957- include section: Accessions. Aanwinste, Sept. 1957- (also published separately)

The acclaimed debut novel by the author of Little Fires Everywhere and Our Missing Hearts “ A taut tale of ever deepening and quickening suspense. ” —O, the Oprah Magazine “ Explosive . . . Both a propulsive mystery and a profound examination of a mixed-race family. ” —Entertainment Weekly “ Lydia is dead. But they don ’ t know this yet. ” So begins this exquisite novel about a Chinese American family living in 1970s small-town Ohio. Lydia is the favorite child of Marilyn and James Lee, and her parents are determined that she will fulfill the dreams they were unable to pursue. But when Lydia ’ s body is found in the local lake, the delicate balancing act that has been keeping the Lee family together is destroyed, tumbling them into chaos. A profoundly moving story of family, secrets, and longing, Everything I Never Told You is both a gripping page-turner and a sensitive family portrait, uncovering the ways in which mothers and daughters, fathers and sons, and husbands and wives

struggle, all their lives, to understand one another.

Ireland, 1944. In a violent storm, a German plane heading for Britain is blown west, far off course. The pilot, completely disorientated, plunges down on to an Irish hillside, and shatters a young family. The children who survive that terrible night try to leave the past behind, but the past will not let them go. Rescued by their Aunt Lucy, Amelia and Mattie need to start afresh, but Lucy too has lost her way. And as all three search for a place to call home, they accidentally uncover the cruellest secrets of all . . . Mary Stanley's enthralling new novel moves from 1940s Ireland through post-war England to golden Malta. Her vibrant characters and beautifully perceptive writing bring to life a compelling tale of survival, self-discovery, and the desire to belong. History, mystery, and science collide in a new series for middle-grade readers, perfect for fans of The Mysterious Benedict Society and Lemony Snicket! Jordan Stratford imagines an alternate 1826, where Ada Lovelace (the world's first computer programmer) and Mary Shelley (author of Frankenstein) meet as girls and form a secret detective agency! Lady Ada Byron, age eleven, is a genius. Isolated, awkward and a bit rude—but a genius. Mary Godwin, age fourteen, is a romantic. Adventurous, astute, and kind, Mary is to become Ada's first true friend. And together, the girls conspire to form the Wollstonecraft Detective Agency—a secret constabulary for the apprehension of clever criminals. Their first case involves a stolen heirloom, a false confession, and an array of fishy suspects. But it's no match for the deductive powers and bold hearts of Ada and Mary. Mystery fans will love this tween girl riff on Sherlock Holmes and John Watson. History buffs will be delighted to see all the real figures who play a role in this story and appreciate the extensive backmatter that helps separate truth from fiction. Parents and educators hoping to promote the STEM fields for girls will be thrilled to have a series where two girls use math, science, and creative analytical thinking to solve crimes. But most especially--emerging readers will love this series filled with humor, action, intrigue and wonderful artwork from Kelly Murphy.

The transition from President Donald J. Trump to President Joseph R. Biden Jr. stands as one of the most dangerous periods in American history. But as # 1 internationally bestselling author Bob Woodward and acclaimed reporter Robert Costa reveal for the first time, it was far more than just a domestic political crisis. Woodward and Costa interviewed more than 200 people at the center of the turmoil, resulting in more than 6,000 pages of transcripts—and a spellbinding and definitive portrait of a nation on the brink. This classic study of Washington takes readers deep inside the Trump White House, the Biden White House, the 2020 campaign, and the Pentagon and Congress, with vivid, eyewitness accounts of what really happened. Peril is supplemented throughout with never-before-seen material from secret orders, transcripts of confidential calls, diaries, emails, meeting notes and other personal and government records, making for an unparalleled history. It is also the first inside look at Biden's presidency as he faces the challenges of a lifetime: the continuing deadly pandemic and millions of Americans facing soul-crushing economic pain, all the while navigating a bitter and disabling partisan divide, a world rife with threats, and the hovering, dark shadow of the former president. “ We have much to do in this winter of peril, ” Biden declared at his inauguration, an event marked by a nerve-wracking security alert and the threat of domestic terrorism. Peril is the extraordinary story of the end of one presidency and the beginning of another, and represents the culmination of Bob Woodward's news-making trilogy on the Trump presidency, along with Fear and Rage. And it is the beginning of a collaboration with fellow Washington Post reporter Robert Costa that will remind readers of Woodward's coverage, with Carl Bernstein, of President Richard M. Nixon's final days.

LONGLISTED FOR THE 2020 WOMEN'S PRIZE A LIBRARY JOURNAL EMERGING STARS PICK A mesmerizing novel of World War II Singapore, “ a story about memory, trauma, and ultimately love ” (New York Times)—for fans of Pachinko and We Were the Lucky Ones Singapore, 1942. As Japanese troops sweep down Malaysia and into Singapore, a village is ransacked, leaving only two survivors and one tiny child. In a neighboring village, seventeen-year-old Wang Di is strapped into the back of a troop carrier and shipped off to a Japanese military brothel where she is forced into sexual slavery as a “ comfort woman. ” After sixty years of silence, what she saw and experienced still haunts her. In the year 2000, twelve-year-old Kevin is sitting beside his ailing grandmother when he overhears a mumbled confession. He sets out to discover the truth, wherever it might lead, setting in motion a chain of events he never could have foreseen. Weaving together two timelines and two very big secrets, this stunning debut opens a window on a little-known period of history, revealing the strength and bravery shown by numerous women in the face of terrible cruelty. Drawing in part on her family's experiences, Jing-Jing Lee has crafted a profoundly moving, unforgettable novel about human resilience, the bonds of family and the courage it takes to confront the past.
