How leaders can use the right story at the right time to inspire change and action This revised and updated edition of the best-selling book A Leader's Guide to Storytelling shows how storytelling is one of the few ways to handle the most important and difficult challenges of leadership: sparking action, getting people to work together, and leading people into the future. Using myriad illustrative examples and filled with how-to techniques, this book clearly explains how you can learn to tell the right story at the right time. Stephen Denning has won awards from Financial Times, The Innovation Book Club, and 800-CEO-READ The book on leadership storytelling shows how successful leaders use stories to get their ideas across and spark enduring enthusiasm for change Stephen Denning offers a hands-on guide to unleash the power of the business narrative.

The ultimate service manuals! Bentley manuals are the only comprehensive, single source of service information and specifications available for BMW cars. These manuals provide the highest level of clarity and completeness for all service and repair procedures. Enthusiasts, do-it-yourselfers, and professional technicians will appreciate the quality of photographs and illustrations, theory of operation, and accurate step-by-step instructions. If you are looking for better understanding of your BMW, look no further than Bentley. Even if you do not repair your own vehicle, knowledge of its internal workings will help you when discussing repairs and maintenance with your professional automotive technician. This Bentley Manual is the only comprehensive, single source of service information and specifications available specifically for BMW 5 Series from 1997 to 2002. The aim throughout this manual has been simplicity, clarity and completeness, with practical explanations, step-by-step procedures and accurate specifications. Whether you are a professional or a do-it-yourself BMW owner, this manual will help you understand, care for and repair your E39 5 Series. Though the do-it-yourself BMW owner will find this manual indispensable as a source of detailed maintenance and repair information, the BMW owner who has no intention of working on his or her car will find that reading and owning this manual will make it possible to discuss repairs more intelligently with a professional technician.
