Allah Made Everything, the song book, is based on the lyrics of the well-loved children's song by renowned singer and songwriter Zain Bhikha. The song was first released in 2015, and together with the hit video, has become one of the most popular Muslim children's songs across the world.

This book invites you into a mindful coloring journey while pondering over the words of God. It consists of 30 hand drawn, unique illustrations based on Mandala and Geometric pattern art. The illustrations are paired with translations of Quranic verses to give you a meaningful experience. WHY YOU WILL LOVE THIS BOOK: Unique Art: These 30 illustrations are hand made solely for this book. There is no use of generic computerized images. Ramadan and Eid gifts: This book makes a wonderful gift for the arts/crafts lover. You may also frame a page as a personalized gift for your loved ones. Skill Level: Illustrations range from simple to complex allowing for a variety of challenges. This book is suitable for adults as well as children ages 7 and above. Illustration Layout: 25 illustrations are paired with verses, while 5 sheets consist of patterns (floral and geometric designs). Pattern sheets are spread carefully throughout the book to help pause and reflect over prior verses. Page Layout: To avoid bleed-through, each page is printed one-sided. This makes it perfect for your favorite colored pencils, crayons and pens.

Explores the use of images, sounds and videos in Jihadi media and how people engage with them

'Ulysses' is a novel by Irish writer James Joyce. It was first serialized in parts in the American journal 'The Little Review' from March 1918 to December 1920, and then published in its entirety by Sylvia Beach in February 1922, in Paris. 'Ulysses' has survived bowdlerization, legal action and bitter controversy. Capturing a single day in the life of Dubliner Leopold Bloom, his friends Buck Mulligan and Stephen Dedalus, his wife Molly, and a scintillating cast of supporting characters, Joyce pushes Celtic lyricism and vulgarity to splendid extremes. An undisputed modernist classic, its ceaseless verbal inventiveness and astonishingly wide-ranging allusions confirm its standing as an imperishable monument to the human condition. It takes readers into the inner realms of human consciousness using the interior monologue style that came to be called stream of consciousness. In addition to this psychological characteristic, it gives a realistic portrait of the life of ordinary people living in Dublin, Ireland, on June 16, 1904. The novel was the subject of a famous obscenity trial in 1933, but was found by a U.S. district court in New York to be a work of art. The furor over the novel made Joyce a celebrity. In the long run, the work placed him at the forefront of the modern period of the early 1900s when literary works, primarily in the first two decades, explored interior lives and subjective reality in a new idiom, attempting to probe the human psyche in order to understand the human condition. This richly-allusive novel, revolutionary in its modernistic experimentalism, was hailed as a work of genius by W.B. Yeats, T.S. Eliot and Ernest Hemingway. Scandalously frank, wittily erudite, mercurially eloquent, resourcefully comic and generously humane, 'Ulysses' offers the reader a life-changing experience. Publisher : General Press

A free open access ebook is available upon publication. Learn more at www.luminosoa.org. Chicago is home to one of the largest, most politically active Palestinian immigrant communities in the United States. For decades, secular nationalism held sway as the dominant political ideology, but since the 1990s its structures have weakened and Islamic institutions have gained strength. Drawing on extensive fieldwork and interview data, Palestinian Chicago charts the origins of these changes and the multiple effects they have had on identity across religious, political, class, gender, and generational lines. The perspectives that emerge through this rich ethnography challenge prevailing understandings of secularity and religion, offering critical insight into current debates about immigration and national belonging.

As a young British officer in the Gurkha regiment, John Mackinlay served in the rainforests of North Borneo and experienced firsthand the Maoist-style insurgencies of the 1960s. Years later, as a United Nations researcher, he witnessed the chaotic deployment of international forces to Africa, the Balkans, and South Asia, and the transformation of territorial, labor-intensive uprisings into the international insurgent networks we know today. After 9/11, Mackinlay turned his eye toward the Muslim communities of Europe and institutional efforts to prevent terrorism. In particular, he investigates military expeditions to Iraq and Afghanistan and their effect on the social cohesion of European populations that include Muslims from these regions. In a world divided between rich and poor, the surest way for the "bottom billion" to gain recognition, express outrage, or improve their circumstances is through insurgency. In this book, Mackinlay explains why leaders from the wealthiest and most powerful nations have failed to understand this phenomenon. Our current bin Laden era, Mckinlay argues, must be viewed as one stage in a series of developments swept up in the momentum of a global insurgency. The campaigns of the 1960s are directly linked to the global movements of tomorrow, yet in the past two decades, insurgent activity has given rise to a new practice that incorporates and exploits the "propaganda of the deed." This shift challenges our vertically-structured response to terror and places a greater emphasis on mastering the virtual, cyber-based dimensions of these campaigns. Mckinlay revisits the roots of global insurgencies, describes their nature and character, reveals the power of mass communications and grievance, and recommends how individual nations can counter these threats by focusing on domestic terrorism.

In 1967 Egypt and the Arab world suffered a devastating defeat by Israel in the Six-Day War. Though long past the age at which most singers would have retired, the sexagenarian Egyptian singer Umm Kulth m launched a multifaceted response to the defeat that not only sustained her career, but also expanded her international fame and shaped her legacy. By examining biographies, dramas, monuments, radio programming practices, and recent recordings, Laura Lohman delves into Umm Kulth m's role in fashioning her image and the conflicting ways that her image and music have been interpreted since her death in 1975.

From the outrageously filthy and oddly innocent comedienne and star of the powerful 2015 film I Smile Back Sarah Silverman comes a memoir!her first book!that is at once shockingly personal, surprisingly poignant, and still pee-in-your-pants funny. If you like Sarah's television show The Sarah Silverman Program, or memoirs such as Chelsea Handler's Arc You There Vodka? It's Me Chelsea and Artie Lange's Too Fat to Fish, you'll love The Bedwetter.
