The fifth, The Dispossessed,  
is the earliest  
chronologically in the  
Hainish Cycle. The Cetians  
have been visited by people  
from other planets,  
including Earth and Hain.  
The various planets are  
separate, though there is  
some talk of a union.

Each book stands alone,  
although all books in the  
cycle are set in the same  
universe. Works are not  
numbered as author says:  
"People write me nice  
letters asking what order  
they ought to read my  
science fiction books in –  
the ones that are called the  
Hainish or Ekumen cycle or  
saga or something.
